PROFESSIONAL & LEADERSHIP EXPERIENCE

Outreach Leader (Website Contributor) | Cru at UVA (Christian Organization)   April 2025-Present

University of Virginia, Charlottesville, VA

- Developed a website platform, *Magnify*, using HTML, CSS, and JavaScript to support outreach and prayer ministry efforts for 50+ students
- Founded *GoCommission*, a unified outreach initiative, integrating weekly, monthly, and collaborative evangelism events (i.e., *GoCo Outreach*, *GoCo Training*, *GoCo Collab*, etc.) under one brand
- Hosted overall outreach initiatives, including relational evangelism challenges and other mini events
- Collaborated with Cru staff, student leaders, and members to enhance campus and ministry activities
- Participated in a mission trip to Florida, contributing to 2,700+ spiritual conversations, 1,800+ Gospel presentations, and 260+ professions of faith

Church & Ministry Intern | Jefferson Park Baptist Church   June 2025-August 2025

Charlottesville, VA

- Collaborated with 8 other interns to organize church events and foster a welcoming environment
- Volunteered in various ministries and studied scripture, religious history, and theology

Student Assistant | Georges Student Center at UVA   June 2025-Present

University of Virginia, Charlottesville, VA

- Assisted incoming UVA students with academic and administrative processes during orientation season
- Helped UVA staff and students with events for smooth and efficient coordination

PERSONAL PROJECTS

Tech & Cybersecurity | Personal Documentation & Portfolio   February 2025-Present

- Built a personal web platform for documentation, recording the UVA CS curriculum, self-initiated learning experiences, programming projects, cybersecurity labs, and certifications.
- Link: https://brave1ntel.github.io/Tech-Portfolio/

Magnify | Cru Outreach & Prayer at UVA Website   April 2025-Present

- Design and develop a website to support Cru's outreach and prayer ministry efforts. Responsibilities include maintaining resources, evangelical tools, and organizing events.
- Tools: HTML, CSS, JavaScript, Canva, VS Code, GitHub
- Link: https://brave1ntel.github.io/Magnify/
